# ECLIPSE

Kit includes: Outer wrap (A), top (C) and base (D)

1 Place the base (A) on the floor and begin to secure the wrap (C) around the hook fastener strip.

2 When the wrap is half way around the base, place the top (B) carefully on, securing it against the hook fastener strip on the wrap.

3 Carry on securing the wrap to the top and the base until it meets up.
